Groundbreaking Held For Yuba Co Setback Levee Project

By: Chris Gilbert and Don Rae
 May 28, 2008

GROUNDBREAKING FOR WHAT'S CONSIDERED THE LARGEST EVER SETBACK LEVEE PROJECT IN CALIFORNIA HAPPENED IN SOUTH YUBA COUNTY THIS (WED.) MORNING. IT'S A SIX-MILE PROJECT BETWEEN SHANGHAI AND STAR BENDS ALONG THE FEATHER RIVER. THE COUNTY RECEIVED 138-MILLION DOLLARS IN PROPOSITION ONE-E MONEY TO CONSTRUCT IT AND ALSO HAD TO SCRAMBLE TO COME UP WITH A 53-MILLION DOLLAR LOCAL MATCH. IT'S ALSO THE FINAL PHASE OF SEVERAL YEARS OF IMPROVEMENTS THAT OFFICIALS HOPE WILL BE COMPLETED IN TIME FOR THE NEXT RAINY SEASON, ALSO DOUBLING CURRENT PROTECTION LEVELS.
