[Groundbreaking This Week on Yuba Levee Repair Project](#)

Posted on May 29, 2008 by kpayeditor

Groundbreaking held this week in Yuba County for the largest setback levee ever built in California. Local assemblyman Rick Keene attended Wednesday's groundbreaking for the Feather River Setback Levee. Keene calls the project "critically important" for one of the most flood-prone regions in the state. The Three Rivers Levee Improvement Authority expects to finish most of the construction this year.
